

A photograph of a church service at Austin Classical School. The sanctuary is filled with students in dark blue uniforms. Many students have their hands raised in the air. In the foreground, a student's hand is prominently raised. The stage features a large screen displaying the text "The Bible is Unchanging" by Mrs. Foshea. The church has a modern design with blue lighting on the stage and a high, vaulted ceiling with exposed ductwork and lighting fixtures.

General Policies

Why Uniforms?

Neat and professional attire helps to promote a learning environment where students express themselves through rhetoric instead of clothing. Uniforms also ease the financial burden on families of buying school clothes.

ACS Uniform Guidelines:

- All clothing must be clean and neat.
- All students must dress in conformance to their biological sex.
- No torn or frayed clothing.
- No tight-fitting or excessively baggy clothes are allowed.
- Shirts should be tucked in at all times.
- Belts worn for outfits with belt loops.
- No caps, hats, or other head coverings may be worn in the building.
- Jewelry should be minimal.
- Hair clips, headbands, and other items worn in the hair should be white, black, navy, brown, or grey.
- All jumpers and hems of skirts should be of a modest length.
- All jumpers and skirts must be worn with bike shorts under them.
- Jackets or sweaters worn during the day in the classroom must be from the Lands' End selections and must include the school logo.

Dress Uniforms

All students must have at least one complete dress uniform.

LANDS' END DETAILS

Many of the uniform options listed in the sections below are required to be purchased through Lands' End. However, there are other items such as socks, shoes, biker shorts, leggings, hair accessories, and belts that are not required to be purchased through Lands' End.

For these items, we have listed some “suggested selections” based on feedback from parents who have purchased these items from Lands' End noting that the quality is excellent and holds up very well year after year. Therefore, it may be worth spending a bit more to purchase quality items from Lands' End especially if you plan to pass items down to siblings.

If you are able to find similar items at other stores (Target, Old Navy, etc.), you are welcome to purchase those as long as they are in line with the general policies stated above.

Remember: If you purchase these items outside of Lands' End, please note that the khaki should be a middle shade, not light/white or dark/brown. Please see the Lands' End school page for reference.
